Independent Contractor Agreement

This Agreement ("Agreement") is entered into this _____ day of _____, 20____, by and between _____, ("Company") and _____ ("Contractor") whose professional occupation is a _____, and whose primary address is _____.

WHEREAS, Company wished to retain the services of the Contractor;

WHEREAS, Contractor is fully qualified under law and by experience to render the services described herein.

NOW THEREFORE, for and in consideration of mutual covenants and agreements contained herein, the parties agree to the following:

1. **Independent Contractor:** The contractor is being retained as an Independent Contractor and not as an employee or partner.
2. **Retainer and Contractor Obligations:**
 - a. **Services:** Contractor shall provide therapy services requested by Company for the provision of health care to Company's patients. Services will be provided based on the availability of qualified professionals. There is no obligation on the Company to provide any particular patient to the Contractor and no obligation on the Contractor to accept any particular patient offered to the Contractor by the Company.
 - b. **Qualification of Contractor:** Contractor shall be qualified in this State to practice the services provided for hereunder; including maintaining current professional licenses as required by law.
 - c. The Contractor shall act in accordance with standards of professional and ethical practice mandated by the respective state board of licensing, policies and procedures of the client assignment(s) and the Company, and the guidelines, regulations and licensure requirements of state, federal, regulatory, and accreditation bodies to which client and Company may be subject.
 - d. The Contractor shall provide to the Company credentials necessary and requested by the Company or the Company's client(s) that demonstrate that the Contractor is competent to function in his/her professional occupation and is free from communicable diseases.
 - e. The Contractor shall be required to successfully meet all Company screening requirements and completion of all Contractor documentation requirements.
 - f. The Contractor must be able to meet the physical requirements of services to be performed.
